Teachers' Association.

The Teachers' Association met in regular convention October 15th, and after an address delivered by Com'r. J. F. Johnson, the body proceeded to affect an organization, electing Com'r. J. F. Johnson, chairman, and Wray Witten, secretary of the convention. The program for the day was taken up, Prof. Livesay delivering the address of welcome. Prof. Gwinn (Prof. Strong being absent) addressed the teachers on "The Development of the Child's Mind." The afternoon was spent in the discussions of the various questions outlined in program. In the evening Prof. Gwinn delivered a lecture to the teachers at Kraus' opera house.

October 16th—A motion was made and seconded to appoint a committee on resolutions. The committee appointed consisted of A. F. Kellner, John H. Gehrs, T. J. Brown, Augusta Temme and Cecil Burns. Program was carried out as outlined, each point being discussed to the teachers' satisfaction. In the evening Prof. Gass lectured to the teachers at the court room.

October 17th—The teachers met, and after a short talk by Prof. Gass, the teachers heard resolutions and passed on same, after which the teachers adjourned.

Wray Witten, Secretary.

"It Goes Right to the Spot"

When pain or irritation exists on any part of the body, the application of Ballard's Snow Liniment will give prompt relief. "It goes right to the spot," said an old man who was rubbing it in, to cure his rheumatism. C. R. Smith, Propr. Smith House, Tenaha, Texas, writes: "I have used Ballard's Snow Liniment in my family for several years, and have found it to be a fine remedy for all aches and pains, and I recommend it for pains in the throat and chest." 25c, 50c and \$1 by Witten Drug Co.

Fairley-Patterson.

The papers of Bonham, Texas, give full accounts of the marriage of C. M. Fairley, formerly of this city, and Miss Florence Patterson, daughter of Mrs. John Luton. The ceremony was performed by Rev. C. M. Harless, at the First Methodist Church in Bonham.

The happy couple departed at once for Belton, Texas, where the groom has charge of a jewelry store, and where they will reside in the future. Mr. Fairley went to Bonham about three years ago and worked in the repair department of J. A. Owens' jewelry store. He remained there two years, then went to Waco and from there to Belton. He is an excellent young man of exemplary habits, and is worthy of the love and confidence of the young lady whom he has chosen as a companion. They were the recipients of many beautiful presents.

The bride is the eldest daughter of Mrs. John Luton, and is a beautiful young lady and has, by her kind and lovable disposition, won a large circle of close friends.

Mr. Fairley is the adopted son of Mr. and Mrs. D. A. Fairley of this city and has the esteem of all of our citizens, who will join the Democrat in wishing the couple a happy and prosperous wedded life.

Roll of Old Settlers.

The Old Settler's Association of Morgan County, which was organized in this city recently, seems to have struck a popular sentiment among the older citizens of the county, as they are now making a splendid showing with T. R. Towndley, Secretary, and L. J. Baughman, President of the Association. They now have 130 names enrolled, yet very little soliciting has been done. While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by Witten Drug Co.

Our genial and clever stock buyer and shipper of Otterville was married Wednesday evening to Miss Myrtle Brewster, one of Otterville's prettiest young ladies.

Judge Dougherty and J. Will Smith have been summoned to Jefferson City as jurors and if any one in Little Morgan has been hoodluming they had best be hiding out.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take.
